MMF Fund Raising 2020 Chairman's message

Dear Friends,

We thank God for His gracious protection and rich providence for seeing us through these difficult past months over the Covid-19 situation

Luke 21:8-11

" There will be great earthquakes, famines and pestilences in various places, and fearful events and great signs from heaven.

The urgency to fulfill the Great Commission is pressing as the signs of the end times dawn on us. Many of our colleagues have moved out of their comfort zones to answer God's call and serve in foreign communities. Despite the recent Covid-19 pandemic which has led to fear, confusion, and chaos, they are persevering wherever they are to be that beacon of peace and light that the world needs. However, these faithful servants of God do not receive any salary and rely entirely upon the support of partners like us.

We want to take this opportunity to thank all who have kindly supported our Singaporean missionary doctors in various ways.

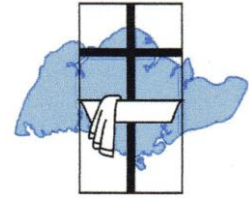

Your generosity through direct donations via Medical Missions Foundation (MMF), gifts or support of the golf and dinner over the years have covered their professional needs, travel, living and outreach expenses. Unfortunately, our joint golf and dinner annual event which has served as an avenue for fund raising has been cancelled in view of the current situation.

We have thus compiled some digital updates and we invite you again to lift our brothers and sisters in prayer who have persevered despite these gloomy times.

You can also send a donation by mailing a cheque payable to 'Medical Missions Foundation' (please indicate your mobile and name at the back of the cheque) to

Your generous donations go towards sustaining the work they have embarked upon.

Hence, do seize this opportunity to participate in their work to serve God in their various capacities.

Thank you
May the Lord bless you and keep you safe!
