

From the Chaplain's Desk

Now it is required that those who have been given a trust must prove faithful. (1Corinthians 4:2 NIV)

Dear friends,

One of the toughest things we experience in health care is when we lose a patient, when even though we tried our best, he or she dies. We must have clarity as to what the Lord expects of us in situations like this so that we do not either burn out or become cynical. I hope this short reflection helps.
